Are you looking for a stylish location for your family celebration or a company party?  
The Café-Bistro also opens its doors exclusively in the evening for this purpose  
- including an atmospheric ambience and excellent cuisine!

As soon as they enter the Café-Bistro on the 1st floor above the  
Delicatessen store with a view of Munich's Frauenkirche, your guests  
will be delighted by the elegant ambience.

Large mirrors and the long bar characterise the flair of the dining room.

An eye catcher ist the bench with its ruby red velvet cover,  
as are the wall lights, which were specially hand made for Dallmayr by  
Porzellanmanufaktur Nymphenburg.

Whether small or large events - the elegant rooms,  
our personalised service and first-class catering provide a  
unique setting for unforgettable events.

Whether a standing reception with up to 150 guests, a gala dinner at festively  
set tables with up to 100 guests or an exclusive celebration in a small circle at  
the Café-Bistro with adjoining Kabinett offers you the perfect location.
