Allgemeine Geschäftsbedingungen

Dallmayr Catering

SCOPE

These General Terms and Conditions apply to all contracts that the customer ("client") concludes with Alois Dallmayr KG for catering services (e.g., provision or delivery of food and drinks, equipment, service).

PRICES

All prices are in euros and include or plus applicable VAT. All offers remain non-binding until the order is accepted.

SELF COLLECTION/DELIVERY

The ordered goods can be picked up at the agreed time from Monday to Saturday between 9:00 a.m. and 6:00 p.m. from the gatekeeper of Alois Dallmayr KG at Altenhofstrasse 3-5. The following conditions apply to deliveries: Within the city of Munich we charge a delivery fee of 42.00 gross including VAT. 19% VAT must be applied if other services, such as dishes, staff or other additional services, are also ordered. Deliveries are made Monday to Friday (except public holidays) between 9:00 a.m. and 5:00 p.m. Different delivery dates can of course be agreed individually and incur additional costs.

COMPLAINTS

The contractor is requested to check the goods upon collection or delivery and to inform Alois Dallmayr KG as soon as possible of any defects that the client discovers. If quality defects actually occur, Alois Dallmayr KG is better able to react quickly. However, any rights of the contractor are not limited or excluded. It is not possible to exchange incorrectly ordered goods for food and beverages. Alois Dallmayr KG assumes no liability for defects that are due to improper storage by the client.

PAY

The goods are payable within 14 days of receipt of the invoice without any deductions. Until full payment (including additional claims) all goods remain the property of Alois Dallmayr KG. Orders from new customers (without a customer number) will only be accepted through payment by cash on delivery or advance payment.

The client is not entitled to offset his own claims against the payment claims of Alois Dallmayr KG, unless the claims are undisputed or have been legally established.

TERMINATION

The client is entitled to terminate the catering order at any time in accordance with the following regulations. If the client terminates without Alois Dallmayr KG giving an important reason for this, the following calculation will be made: Expenses already incurred will be invoiced in full up to 5 working days before the start of the event. If termination occurs later, the agreed remuneration will be charged. However, Alois Dallmayr KG deducts saved expenses. The client reserves the right to prove that the expenses saved are higher than stated by Alois Dallmayr KG.

LIABILITY

Claims by the client for damages are excluded. Excluded from this are claims for damages by the client resulting from injury to life, body, health or from the breach of essential contractual obligations, as well as liability for other damages resulting from an intentional or grossly negligent breach of duty by Alois Dallmayr KG; its legal representatives or its vicarious agents based. Essential contractual obligations are those whose fulfillment is necessary to achieve the objective of the contract.

In the event of a breach of essential contractual obligations, Alois Dallmayr KG is only liable for the contract-typical, foreseeable damage if this was caused simply through negligence, unless the customer is claiming damages due to injury to life, body or health.

The restrictions in the previous two paragraphs also apply in favor of the legal representatives and vicarious agents of Alois Dallmayr KG if claims are asserted directly against them. The provisions of the Product Liability Act remain unaffected. Loss).
